Sneeze Guards

Self-Install & Turnkey Install Solutions

April 2020

"We called you guys on this a week ago and we have already visited 500 locations and will hit another 2,500 in the coming days. I realize there have been constant changes and long hours, but please know it is making a big difference for our team." – National Banking Client

SCOPE OF WORK

MATERIAL ONLY OR TURNKEY INSTALL OPTIONS

- “Off-the-Shelf” or Customized Sneeze Guard Solutions.
- Expert Sourcing, Procurement, and Shipping of Materials.
- Proactive management of multi-supplier network ensuring real- time monitoring of material inventory on hand.
- Deployment of Sneeze Guards Nationwide:
 - ***Self-Install Option*** (BV ships direct to store for store team set-up)
 - ***Turnkey Install Option*** (BV performs “white glove” install service”)
- Program Management of Sneeze Guard Installations.
- Confirm daily progress; resolve and escalate field issues as appropriate.
- Real time status updates via ProTrack project management software.
